

## Adecco having secured more than 39% in DIS AG post crossing hurdle of 10% in additional stake in DIS

**Chéserey, Switzerland – January 26, 2006:** Following Adecco's agreement with the Paulmann family to acquire all of their shares – equivalent to approximately 29% - in German listed DIS' share capital at a price of EUR 54.50 per share in cash, and the announcement on January 20, 2006 to have obtained additional 5% in the open market, Adecco has further purchased shares crossing now the hurdle of 10%. Accordingly, Adecco has now secured more than 39% of DIS' capital ahead of the formal launch of the voluntary public offer announced on January 9, 2006. The agreement with the Paulmann family is still subject to regulatory approval.

Chairman and Chief Executive Officer of Adecco Klaus J. Jacobs said: 'We are well on track with the acquisition of DIS AG having now secured over 39% of the capital prior to the launch of the public tender offer beginning February. I am encouraged to see that DIS AG shareholders react positively to our offer which clearly supports our view about the attractiveness of the tender.'
